- This year, you will need to update your 200 word mini abstract and keywords separately. This can be copied and pasted from your word document.

Mini Abstract*

Please copy your short abstract (200 words) into the text box.

Rich text editor toolbar with icons for undo, redo, italic, subscript, superscript, and link. Below the toolbar is a large empty text input area.

0/200

No response to required question

Keywords

Please add your three keywords

Rich text editor toolbar with icons for undo, redo, italic, subscript, superscript, and link. Below the toolbar is a large empty text input area. A small green icon with a plus sign and a circular arrow is visible in the bottom right corner of the text box.

- When submitting your two-page paper, copy and paste the content into the field provided. If your paper includes graphs, images, or any pictures, please just copy and paste your whole paper from Word and paste it within the text box. It will then ask if you want to keep the text aligned to your original document. Select yes, and everything should remain the same as the Word document.

Two Page Paper*

Please copy your two page paper into the text box below. It will ask if you would like to keep your file formatting which we recommend so your paper stays aligned.

A text input field with a rich text editor toolbar. The toolbar includes icons for undo, redo, italic, bold, underline, strikethrough, subscript, superscript, link, unlink, list, and indent. Below the toolbar is a large text input area. In the bottom right corner of the input area, there is a character count '0/2500' and a small icon with a plus sign and a 'G'.

0/2500

When you copy and paste your mini abstract and two page paper this pop will appear and we suggest click on keep formatting so your paper aligns from the word document.
